Plaintiffs Response to Defendants
Re Argument To Dismiss

U.S. DISTRICT COURT
DISTRICT OF DELAWARE

2006 JUL 24 PM 2:47
BD scanned

In The Above Matter Plaintiffs Final
Argument Against Dismissal is As Follows:

A Complaint Should not be dismissed For
Failure to State a Claim unless it appears
beyond doubt that Plaintiff can prove no
Set of Facts in Support of his Claim which
Would entitle him Relief.

Dated 19 July 06

II

Plaintiff Asserts that, despite his inadequacy
Regarding Civil law, he has, in fact, shown
Enough evidence and exhibits that it would
Serve Justice to bring this Complaint before
A Jury for them to weigh, consider,
decide which side is true.

And, if more evidence is needed - be it
testimony or physical evidence, such as
Records or other papers, Plaintiff should
be allowed the right of discovery -
And if Plaintiff, acting pro se has
Failed in a technical matter, latitude
Should be given or an attorney be provided
to assist in "maturing" this Case
And preparing it for a Jury of
Plaintiff's Peers.

Seamus & Bogin
